

# ASEAN-EU Energy Cooperation Networking

**BRUSSELS, 11<sup>th</sup> to 13<sup>th</sup> July 2006**

By

Business Council for Sustainable  
Development (Malaysia)

## VISION 2020

**“... in pursuit of economic development,  
Malaysia will ensure that:**

- her natural resources are not wasted**
- the land remain productive and fertile**
- the environmental is clean & unpolluted**
- the water is the forest resources must be  
capable of regeneration**
- the beauty of the land must not be  
desecrated for its own sake and for its  
economic advancement.”**

# Sustainable Development

**Development that meets the needs of the present without compromising the ability of future generations to meet their own needs**
